Concerning Bullingerism

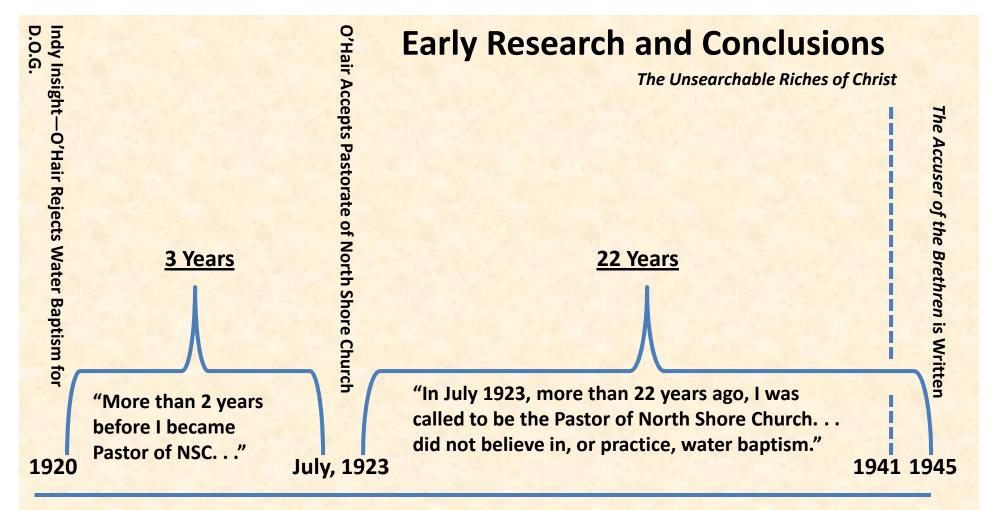

A Reply to

O. Fuller-Haggai-DeHaan and Company

PASTOR J. C. O'HAIR 1011 Wilson Avenue

Chicago, Illinois

From 1920 until he wrote *The Accuser of the Brethren* in 1945 O'Hair never changed his views. He was teaching mid-Acts Pauline dispensationalism as taught in *The Unsearchable Riches of Christ* from the duration of the 25 years covered by this chronology.

Always the same Christ, the eternal I AM, but not always in the same form and the same relationship. Christ was in the form of God. Philippians 2:6. He was with God and He was God. John 1:1.

Up to 1927 years ago—or thereabouts—the eternal Christ had no human body. He was the same Christ as Jesus of Nazareth, that He was before the creation of the world glorified with God the Father; but He was in a different form.

PASTOR J. C. O'HAIR 1011 Wilson Avenue Chicago, Illinois mrs Laura Rous

Dear Christian Friend:

Doubtless you have observed how zealous and energetic are the Mormons, the Adventists, the Russellites, the Christian Scientists and other Satanic cults in the use of the printed page, scattering their leaflets and booklets in every section of the country.

Chicago, January 1, 1929

Satan knows that this is one of the best ways to get out his message. Many people read religious literature who do not attend services. Why is it that God's own people, those who truly belong to Christ, do not take the same advantage and give out literature that is not filled with Satanic poison?

The perilous times are upon us. Satan is trying with every scheme to wreck the testimony of the Church of Christ with modernism, ritualism and fanaticism. His religious servants in the guise of Christian workers are corrupting the Word of God, often turning it into a fable, and thousands of poor gullible human victims are being caught in some of his diabolical cults, lulled into the sleep of eternal death with his religious opiates.

The faith once for all delivered to the saints is being subtly assaulted by these false prophets. They are striking at the very foundation-stones of our faith;

The Deity and Virgin Birth of the Son of God, Salvation on the basis of God's Grace and The Shed Blood of the Lamb of God, The Bodily Resurrection of our Saviour The Return of the same Jesus who died and arose.

Then we have many varieties of fanaticism in the "healing" and "tongues" movements of the day. Surely we are rapidly heading up in Babylon, swiftly moving toward the reign of Anti-christ.

Many deceived ones are looking for the light. They are perplexed and distressed and want a way out.

We have printed about 20 different little booklets covering all the fundamentals of the faith. We send you herewith the list.

Can and will you help us get them out, if we make the price low enough?

We will send you the assortment of 20 for \$2.60—or 10 for \$1.40. Write today.

Mr. Albertus Pieters, Holland, Mich.

Dear Mr. Pieters:

From J. C. O'HAIR 1011 Wilson Ave., Chicago, III.

Summary of O'Hair's Views 1920 to 1930

- Water baptism, tongues, signs have no place in this dispensation.
- The church/dispensation of grace began at Pentecost.
- The Great Commission is not for this dispensation.
- Difference between the gospel of the circumcision committed to Peter and the gospel o the uncircumcision committed to Paul.

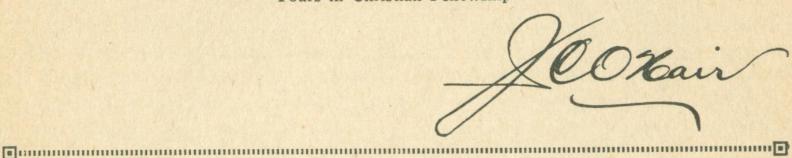

To The President and Secretary of Illinois Christian Fundamentals Ministers' Association Chicago, Ill.

March 6th, 1933.

Dear Brethren:

I understand that there is to be a discussion of water baptism during the next regular monthly business meeting of the members of this Association. This is a much discussed subject. May I request that the propositions that I am submitting in this letter to the members of this Association be given due consideration and that ample time be allowed for a full discussion of them. If sufficient time cannot be devoted to this discussion at the regular monthly meeting, which I understand is to be held at the Moody Church, Monday morning, March 13th, at 11 o'clock, could we not set a time for the discussion, and permit those to hear the discussion who are interested in the subject? May I expect the courtesy of ample time to present my views at the March 13th meeting? Trust that we may see the hand of the Lord in this discussion which you have arranged and that He may be glorified in the outcome of a Spirit-led meeting on the basis of the Scriptures only,

Yours in Christian Fellowship

BIBLE STUDY FOR

Dear Christian Friends:

As we have already announced, with this issue of Bible Study For Bereans, we are discontinuing the publication, at least, temporarily.

We are so pressed for time on account of our heavy Radio schedule and the Radio mail, that the pastor cannot stand the heavy strain.

However, we will make announcements over the radio, and send out printed notices, as to other messages which we will be printing from time to time.

At the present time we have on the press a booklet which we think will be of special interst to many who are not deeply concerned about spiritual things and diligent Bible study, which we hope will get them started in Bible study. This message is entitled:

Since I sent this message to the printer I have received two letters of interest, one from Dr. Ironside, and the other from The Philadelphia Bible Testimony.

Under date of April 22nd, Dr. Ironside writes to me:

"Whatever you may say, my teaching is today what it has been for forty years. To distort my words in "Wrongly Dividing" is ridiculous. If I had realized how hard it is to explain some things I would have gone into detail more."

"When brethren asked me your teaching I tried to tell them as clearly as I could with no criticism of yourself personally. But of late I refuse to attempt to explain it and urge them to get your own books and judge for themselves."
