

# **From This Generation For Ever**

## **Lesson 6--Understanding Basic Terminology: Revelation**

The texts of many ancient human books have been lost or severely damaged during their voyage over the Sea of Time. The text of the Holy Bible has been preserved in its purity by the Special Providence of God.

The difference between the Old and the New Testament text. The Old Testament was preserved through the Aaronic Priesthood. The New Testament has been preserved through the Universal Priesthood of Believers.
